

TEMPORARY RELOCATION

FREQUENTLY ASKED QUESTIONS

1. *Where will I be relocated to?*

Home Forward & Walsh have designated the units on the Ground Floor as temporary dwellings during the construction in your homes. Home Forward's Relocation Team is currently working with residents on the ground floor regarding their relocation options. Alternatively, Peregrine Relocations will begin working with all other households starting in late March or early April, in order to coordinate moves once construction begins. Due to the lack of unit availability, there is still a possibility that a couple of households will need to relocate to either a hotel or another Home Forward property temporarily.

2. *Am I going to return to my same unit?*

Yes, most people will return to the same unit unless there are special circumstance to consider. We will keep you informed if anything changes.

3. *Will I be required to pay my rent where I currently live while I am away?*

Yes, you will be required to pay your rent in the same way you currently do. During this temporary relocation, your payment amount will not change.

4. *What will happen with my pets? Can I bring them with me?*

Yes, your pets will stay with you. Please be sure you bring everything your pets need to your temporary location.

5. *Will I be able to check my mail at my current residence or will I need to put in a change of address?*

6. *Will I be required to sign a new lease if I am temporarily relocated to an apartment?*

The relocation team will coordinate your temporary accommodations for you. Please be advised that you are expected to continue to uphold your signed community rules and Home Forward housing lease even if they are temporarily relocated. This includes paying rent.

7. *Will I be receiving help to pack and unpack my things?*

Yes, packing and unpacking assistance will be available to you. You are welcomed to pack yourself if you prefer. However, please be advised that if you choose to pack your belongings yourself you are solely responsible for their well-being, whether these items are moved or not. Please work with the relocation team.

8. *I am planning to move before the project on my own. Can I get relocation assistance?*

It is important to know that no relocation assistance will be given if you plan on moving from building independently of this project. Please keep the relocation team informed of any plans to move.
